

Korean Culture Camp  
Kitchen Volunteers

June 2009

Dear Volunteer:

Welcome to **CAFÉ SEOUL!** Plans are underway for another fun week in the kitchen at Minnehaha Academy! Thank you for your interest and commitment to volunteering in the kitchen area. We are relieved that so many experienced volunteers are returning and delighted to have new volunteers join us.

As a **Kitchen Volunteer**, camp will provide an apron for your use, but please bring your favorite knife, suitable for cutting vegetables, a cutting board and, if you wish, a paring knife and kitchen shears. Label all personal items with your name to avoid confusion at camp.

**Dress Code:** Health regulations require kitchen workers to wear head coverings: baseball hats, scarves, or hairnets are all appropriate. Bangs must be secured. Wear comfortable shoes – as you will be on your feet most of the camp. **SHOES MUST BE CLOSED TOE.**

**Please come to the Kitchen Area** each morning after dropping off your camper and plan to work until the camp day is over at 2:50 pm or until the kitchen is clean and all the dishes are done, whichever comes first.

It is very important that you work the day(s) assigned to you. Camp needs many volunteers to make for a smooth operation, and everyone's cooperation is imperative. The Kitchen Staff is relying on you to fulfill your commitment to the schedule. Should there be a change in your ability to work the agreed upon day(s), please contact Barb Okonek at the number listed below ASAP.

We look forward to meeting and working with you at KCC this year. Again, we express our thanks and appreciation for your volunteer efforts.

Sincerely,

Kim Miller
